12.0 EVALUATION CRITERIA

Proposals will be evaluated based on relevant factors, including but not limited to the following:

12.1 Proposals will first be reviewed on a Pass/Fail basis. Proposals with the following conditions may be rejected as non-responsive, if:

- Proposal is post-marked after the deadline for this RFP.
- Proposal shows an inability to meet the insurance requirements. (Section 9.0, Segment M) and (Exhibit E)

12.2 If the Respondents have met both requirements noted above, then the following evaluation criteria will be used for the evaluation and selection of each Respondent. Each proposal will be competitively evaluated on its relative strengths and weaknesses

against the following criteria listed below and as described in Section 9.0 of the RFP. The order of the listed criteria is not indicative of their priority, weight or importance:

- Overall responsiveness and general understanding of the RFP requirements
- Firm's experience and ability
- Project team
- References with demonstrated success with similar work to the Scope of Work
- Technical approach and methodology
- Financial status
- Cost proposal
- Clarification, Exceptions or Deviations
- Business Outreach Program Compliance
- Oral Presentations (if required; Refer to Section 13.6)

12.3 After a Consultant has been selected by the District, the District and Consultant will negotiate a contract for submission to the Board of Supervisors for their consideration and possible approval.

12.4 The District reserves the right to withdraw the Request for Proposal (RFP), to reject a specific proposal for noncompliance within the RFP provisions, or not award a contract at any time because of unforeseen circumstances or if it is determined to be in the best interest of the District.

13.0 EVALUATION PROCESS

GENERAL

13.1 Throughout the entire process of the proposal, Respondent may only contact the Buyer who is administering the proposal. Attempts by the Respondent to contact any other District representative may result in disqualification of the Respondent.

13.2 All evaluation material will be considered Confidential and not released by the District. The District reserves the right to split or make the award that is most advantageous to the District.

EVALUATION PROCESS

13.3 Proposals will be reviewed by the Buyer to verify compliance with submission instructions, response requirements, and minimum requirements. Any proposals not meeting the minimum requirements may be deemed non-responsive.

13.4 Proposal evaluation will commence immediately following the review conducted by the Buyer. During the evaluation process, the Selection Committee may request clarification, as necessary, from Respondent. Respondent should not misconstrue a request for clarification for negotiations. It is anticipated that the evaluation process will be completed within approximately 30-60 working days. Respondents will be notified via email regarding the status of Respondent's proposal.

13.5 The District may select qualified Respondent(s) based solely on the submitted proposal(s).

13.6 Following the evaluation of the submitted proposals, a short list of the most qualified Respondents may be developed based on the criteria outlined in Section 12. The District may elect to have the short list of Respondents give oral presentations. Short-listed Respondents must be prepared to give their presentation within five (5) business days of the request by the District. The evaluation panel may ask questions about Respondent's written proposal and other issues regarding the scope of work. Presentations will be evaluated and the District may ask short-listed firms to submit a "best and final" proposal. The short-list interview may be scored. In addition to interviews with the short-list of Respondents, the Selection Committee may also conduct on-site visits and/or tours of the Respondent's place of business.

NEGOTIATIONS

13.7 Negotiations regarding agreement terms, conditions, scope of work and pricing (if applicable) may or may not be conducted with Respondents. Therefore, proposals submitted should contain the Respondents most favorable terms and conditions, since the selection and award may be made without any on-site visit, interviews, or further discussion or negotiations with any Respondents. If the District engages the Respondent in negotiations and satisfactory agreement provisions cannot be reached, then negotiations may be terminated. The District may elect to contact another firm who has submitted a proposal. This sequence may continue until an agreement is reached.

14.0 INTERPRETATION OF RFP

14.1 The Respondent must make careful examination and understand all of the requirements, specifications, and conditions stated in the RFP. If any Respondent planning to submit a proposal finds discrepancies in or omissions from the RFP, or is in doubt as to the meaning, a written request for interpretation or correction must be given to the District. Any changes to the RFP will be made only by written addendum and may be posted on the District website at www.rcflood.org. The District is not responsible for any other explanations or interpretations.

14.2 All Respondent questions, clarifications or comments must be submitted in writing and must be received by the District no later than July 24, 2014 by 1:30 PM Pacific Time. Inquiries received after this date will not be accepted or responded to. Ensure all questions, clarifications or comments are addressed to annieortega@rcflood.org.

15.0 CONTRACTUAL DEVELOPMENT

15.1 Upon selection of the most qualified firm on the basis of demonstrated competence and qualifications for the type of professional services required, the District will negotiate a price which it determines as fair and reasonable. If the District is unable to negotiate a satisfactory contract with the firm selected, negotiations with that firm will terminate and negotiations with the second ranking Respondent shall commence. A sample of the standard County contract to be used for this project is attached as Exhibit E. The District and the Consultant will negotiate a Contract(s) for submission to the Board of Supervisors for their consideration and possible approval.

15.2 Payment by the District for the services will only be made after the services have been performed, an itemized billing statement is submitted in the form specified by the District and approved by the appropriate District representative, which shall specifically set forth the services performed, the name of the person performing such services, and the hourly labor charge rate for such person. Payment shall be made on a monthly basis, thirty (30) days after receipt of such billing statement.

16.0 PUBLIC RECORDS

All proposals become the property of the District. All information submitted in the proposal becomes "public record" as defined by the State of California upon completion of the procurement process. If any proprietary information is contained in or attached to the proposal, it must be clearly identified by the Respondent as "TRADE SECRET", "CONFIDENTIAL", or "PROPRIETARY." Otherwise the Respondent agrees that any and all documents provided may be released to the public after contract award. The District will use its best efforts to inform any proposer of any request for disclosure of any such document.
