I certify that I have received this addendum on behalf of the company listed below.

Signed: _____ Dated: _____

Name and title: _____

Company: _____

ADDENDUM NO. 2
TO RFP #FCARC-00048

1.0 This addendum is considered to be part of the RFP. All other terms of the RFP remain unchanged and in effect. This addendum is intended to provide additional information and/or to change requirements in the above referenced RFP. Any information contained herein will be considered part of the RFP and as such will be used in the evaluation of the bid responses. Attention all potential bidders, if you have already submitted your proposal, please review this addendum and re-submit your bid response should this addendum modify your initial bid response.

2.0 To verify that all Vendors have received a copy of this addendum, please sign the cover page of this addendum and include it with your proposal, refer to Required Format of Proposals, Section 9.0, to:

Riverside County Flood Control
and Water Conservation District
Attention: Annie Ortega
RFP# FCARC-00048 / Bidder Proposal
1995 Market Street
Riverside, CA 92501

3.0 The information in this addendum is primarily the result of written questions submitted by Bidders prior to the deadline for questions, June 2, 2001 by 4:30 PM.

4.0 Questions from Bidders:

4.1 Please verify Flood Control's current Windows Active Directory operating environment.

Answer: The District is on Active Directory 2003, with Forest Functional Level Windows 2000 mixed mode. Please refer to Section 2.1 of the RFP; RFP Purpose.

4.2 Reference AD Domain upgrade going to Windows 2008 or 2008 R2?

Answer: The District is open to either direction. Within your proposal, include the advantages and disadvantages of the selection your firm selects.

4.3 What version of Exchange server is currently installed?

Answer: The District currently utilizes Exchange 2003, service pack 2.

4.4 What is the oldest version of an Active Directory server currently running on the current AD environment?

Answer: Oldest version of server is Windows 2000, none are domain controllers. Please refer to Section 2.2 of the RFP; RFP Background.

4.5 Does the District use SMS or System Center Configuration Manager (SSCM) management tool and if so, what version of project?

Answer: The District uses System Center Configuration Manager 2007; however there is no schema extension for it.
