

RIVERSIDE COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT

Right Of Way Submittal Requirements

Easements dedicated on Subdivision Maps:

- Submit latest version of Final Map or Final Parcel Map. All proposed Riverside County Flood Control and Water Conservation District (District) easements shall include the "District Final Map Language."
- Submit legible copies of referenced documents of existing easements that cross or are near the proposed District easements.
- Submit closure reports for District easements.
- Submit Computer-Aided Design (CAD) file of subdivision map that include the proposed District easements.

Legal Descriptions and Plats for separate document dedications:

- Submit Exhibit A - Legal Description and Exhibit B - Plat for each easement being dedicated.
- Submit closure reports for each easement being dedicated.
- Submit legible copies of all referenced documents described in the current vesting deed.
- Submit legible copies of all referenced documents shown on Exhibit A and B.
- Submit 30-day current Preliminary Title Report for each parcel.
